### **“Riding Referral Free” Bus Incentive Program**

On Thursday, December 5th the MaST II Lawncrest students who ride the bus, attended an assembly about a new bus incentive program being implemented by administration. At MaST II we want to ensure our students know that their behavior on the bus is an extension of their ANCHOR behavior within our school building. We also want our students to know that positive behavior is something that is valued in all settings.

In an effort to support our positive student behavior program on the buses, we are putting an incentive program in place for students. The program is called “Riding Referral Free”. For each day that students behave positively on the bus, they will be able to earn a point. Students will earn rewards according to the number of days they ride the bus without a referral. A referral will be given to a specific student, or group of students if they are not following the bus expectations:

- 1. Use Appropriate Language**
- 2. Stay In Your Seat**
- 3. Accept Bus Driver Redirections**
- 4. Keep Your Hands and Feet to Yourself**
- 5. Clean Up All Trash on The Bus**
- 6. Take All of Your Belongings Off the Bus**
